Are you a Contact Lens User?

Help us discover reasons for 'Discomfort' in Contact Lens Wearers!

You are suitable to participate in the study if you

- Are 18 years of age or above
- Do not have any systemic disease or ocular allergy
- Do not have a history of ocular surgery
- Are not on any systemic and ocular medication

**Study Procedures:** Basic ocular examination using standard clinical procedures, filling out a questionnaire to rate your discomfort, looking at the detailed structure of your eye and how sensitive your eyelids are.

**Benefits:** Study involves **four visits** and you will be reimbursed for your time and travel expenses by **$10 per visit**.

If you are interested to enrol or have any further questions, feel free to e-mail Ms. Sowjanya at j.siddiraddy@student.unsw.edu.au (or) call/text on 0426046147
