

Orientation & Mobility Scholarships

Receive a scholarship of up to \$30,000 to complete your Graduate Diploma in Orientation and Mobility.

Guide Dogs Queensland is excited to offer an opportunity for students enrolled in the Graduate Diploma in Orientation and Mobility at the University of New South Wales to apply for an Orientation and Mobility Scholarship. The value of each Scholarship is up to \$30,000 as payment towards program fees.

The Scholarship Holders will be supported to undertake work-integrated learning topics with Guide Dogs Queensland and graduates may be offered future employment opportunities.

What we are looking for in our applicants

You will:

- Be a Queensland resident.
- Have completed a degree in either Nursing, Education, Human Movement, Disability, Occupational Therapy, Optometry, Social Work, Vision Science or a similarly related field.

You should have:

- An undergraduate qualification in one of the fields mentioned above.
 - A genuine interest in working with people of all ages living with low vision or blindness.
 - A person-centered approach to work with the ability to build rapport with people from a range of backgrounds.
 - Excellent written and oral communication skills.
 - Sound problem-solving abilities.
 - High self-motivation and be goal-orientated.
-
