

Online Survey Subject: **HC200959** Invitation to participate in research

Research Study Title: Contact Lens Practice during COVID19

Researchers at UNSW are conducting a project looking into the changes to optometrists' contact-lens prescribing attitudes as a result of COVID-19. The research project is looking for people who want to take part in this research and who:

1. Australian-registered Optometrist
2. Prescribe contact lenses to patients

Participation in this research is not compulsory, and your decision to or not to take part is optional and voluntary.

It will take approximately 10 minutes to complete the survey outlined in the attached Participant Information Statement, which contains a full description of the research activities, risks associated with these activities and any discomforts that you may experience during the research. At the completion of the survey, you will have the opportunity to enter the draw to win a \$100 Westfield Gift Voucher (Total 3 vouchers).
Draw date: 31st March 2021

If you would like to take part in this research, you can do so by selecting the following link
