

**SCHOOL OF OPTOMETRY AND VISION SCIENCE
UNSW**

**SUPPLEMENTARY EXAMINATION TIMETABLE
TERM 1, 2022**

The information below is all that is available regarding supplementary examinations. Please do not contact the Course Controllers or School to ask for further details regarding the examinations.

This is for OPTM and VISN courses only. Information regarding further assessment in servicing courses must be obtained from the School responsible.

Please note that the rules and regulations governing the examinations held within the formal examination period by the University also apply to these supplementary examinations. This includes displaying your student identification card on your desk in the examination room for the duration of the examination.

PLEASE ADVISE THE SCHOOL IMMEDIATELY OF ANY CLASHES.

This document consists of three pages.

VISN1101 Seeing the World: Perspectives from Vision Science

The Supplementary Exam for Seeing the World: Perspectives from Vision Science for the following students is on **Thursday, 19th May 2022 at 09:45 AM – 11:10 AM** for a 85 minutes duration (inclusive of 15 mins reading time – note this time is given to you for reading but you may start answering questions from 9:45am).
